SUMMARY

- The project will be an Erasmus Plus KA210-ADULT - Small-scale partnerships according to Erasmus Plus Programme rules. Eucovillages wants to: allow the members of organisations active in Erasmus+ to learn about green practices and community life to be implemented in their internal management and in the organisation of European projects; bring knowledge about European programmes to ecovillages and realities promoting alternative lifestyles and allow them to learn how to write proposals; give visibility to ecovillages and make them known to those who are interested in experimenting alternative lifestyles. The activities that will be implemented are: the EU Green Practises Training Course as an opportunity to meet and exchange knowledge and skills among partners; the Green Vademecum as a tool to disseminate what has been learnt during the training course; the Online Platform EUcovillages.net as a meeting point between organisations and ecovillages for the creation of new collaborations and projects.

ECONOMIC RULES

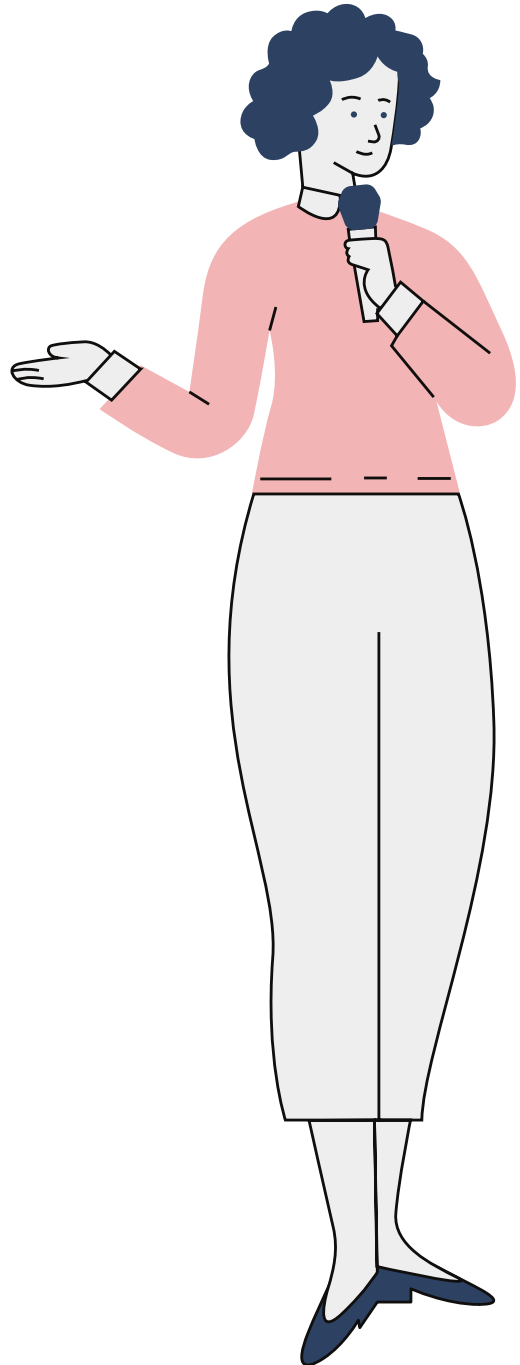

Each participant has to organize his/her own arrival and departure from the venue of the activity in autonomy and independently, moreover he/she has to anticipate the expense (see budget limit for each participant). SOS EUROPA will reimburse the costs by bank transfer after the delivery of the supporting documentation.

ALL EXPENSES, WITH RELATION TO TRAVEL/TRANSFER COSTS, WILL BE PAID IN ADVANCE BY THE PARTICIPANTS. ACCOMMODATIONS RESERVATION AND FOOD WILL BE ORGANIZED AND MANAGED BY HOSTING PARTNER.

Budget for **TRAVEL COST 275€** for participant

Requested documents: flight invoice, boarding pass, transport ticket.

REIMBURSEMENT

- Reimbursement must be based on the basis of actual costs (reimbursement of receipts). Costs may be claimed only for journeys directly connected to specific and clearly identifiable project related activities. Costs for subsistence are NOT eligible because already provided. It is thus very important to keep all supporting documents. These may be requested by the Agency before making the final payment but should be kept available in any case for a possible ex post audit/control. To be considered eligible, these costs must be reasonable, conform to local prices and be exclusively linked to the project. Lost, fake or incomplete documentation will not be reimbursed.
